House File 462

February 27, 1947.
Fish and Game.

By PRANGE.

A BILL FOR

An Act to amend section one hundred nine point seventy-six
(109.76), Code 1946, relating to the spearing of certain
fish.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section one hundred nine point seventy-six
- 2 (109.76), Code 1946, is hereby amended by inserting a period
- 3 after the word "waters" in line fourteen (14) of said section and
- 4 striking all of the balance of said section.

EXPLANATION OF H. F. 462

As the law now stands spearing of rough fish in overflow waters is now permitted only in the Mississippi river overflow waters and in certain designated overflow waters of Muscatine, Louisa, Worth and Cerro Gordo counties. There is no reason for this discrimination. There is also no reason why these fish should not be taken by spear since they are almost certainly doomed to die in the mud as the flood waters disappear.
